NOTE: The Current Population Survey (CPS) questions used to obtain educational attainment were changed in 1992. For 1992 to 1998, high school completers includes those who have a high school diploma or an equivalency certificate. For the years 1971 to 1991, high school completers are people who have completed 4 years of high school or more (but may not have a diploma or equivalency certificate). Included in total but not shown separately are other racial/ethnic groups.
